Welding – Associate in Occupational Technology Degree (AOT)

Catalog Page Reference: Page 190

Summary of Changes: Math or Natural Science Elective was erroneously omitted

from the degree's General Education & Electives.

Welding

Associate in Occupational Technology Degree (AOT)

At a Glance

The Welding program at Central Alabama Community College provides students with the knowledge and skills in the heating and melting of metals. Students experience rigorous hands on training with cutting, forming, and the permanent jointing of metal products used in construction of bridges, buildings, and ships some of which are done in conjunction with computers and robots. Students often work on assembly lines, steel mills, railroad shops and highway departments.

General Education & Electives		CREDITS
CIS 146	Microcomputer Applications	3
ENG 131	Applied Writing OR English Composition I (ENG 101)	
MTH 116	Mathematical Applications OR Higher Level	3
SPH 106		3
Humanities	and Fine Arts Elective*	3
Social and I	Behavioral Science Elective*	3
	tural Science Elective*	

WDT 115/155	GTAW Carbon Pipe/Lab OR			
WDT 217/257	SMAW Carbon Pipe/Lab OR			
WDT 228/268	GAS Tungsten Arc Welding/Lab			
Total Welding Ma	36
